[www.MellingMedical.com](http://www.MellingMedical.com)

**Not Applicable**

25. Data Universal Number System (DUNS) number: **078774013**

26. Notification regarding registration in System for Award Management (SAM) database: **Yes, Melling Medical is registered**

## RETURN GOODS POLICY

- All claims must be submitted during the first ten (10) working days from the date of delivery.
- All returns require a return authorization number.
- We are able to process returns that do not comply with the above; with prior approval of QA, a re-stocking charge of 25% is applicable, if it was due to customer error.
- Products or goods that have more than one (1) month delivery (30 calendar days) are non-refundable.
- We do not collect products or goods that have been damaged, broken or expired at customer facilities.
- Products or Goods with short expiration date may be returned within the first five (5) calendar days from the date of delivery.
- Products or Goods correctly processed and shipped to a reseller (Dealer) are nonrefundable, if it is due to cancellation of the end user. If the order was processed as requested, the re-seller must keep the goods.
- Once the return is authorized, customer will receive a return authorization number, known as RMA #.
- Returns must be accompanied with a copy of the invoice, catalog number, quantity to return, batch number; expiration date, serial number (if applicable) and reason for return.
- Products or Goods must be in the original packaging, with no marks or broken parts. Manuals and accessories must be returned.
- Claims for error in quantity, undelivered, damaged or incomplete product, must be reported no later than two (2) days after delivery date.
- Claims that are granted, but are due to customer error, will be evaluated according to the specific situation and carrying charges may apply.
- Products that by nature and specifications of the supplier, require controlled temperature, if return is authorized, must be returned within five (5) calendar days from the date of delivery.
- Special orders are non-refundable if they were processed and delivered according to customer purchase order.
- Equipment orders are not refundable, if the order was released according to customer purchase order.

## PROCEDURE FOR RETURN and / or CLAIM

- The customer shall submit a written request, or a phone call, of the complaint or claim, to our Customer Service Department at [admin@mellingmedical.com](mailto:admin@mellingmedical.com) or (267) 251-6016.
- If the claim meets established criteria, your Customer Service Agent will proceed to generate a RMA (Return Material Authorization Number).
- A complaint does not necessarily, automatically translate into a pickup or credit.

## Manufacturer's Warranty Policy

### Diopsys Inc.

#### Limited Warranty

Diopsys, Inc. warrants our NOVA Vision Testing Systems to be free from defects in materials and workmanship, provided there is no evidence of abuse or attempted repairs without authorization from Diopsys. This Warranty is in effect for one year from the date of installation and is limited to service, and repair or replacement for parts, and software found to be defective.

**Damage During Shipment:** Our devices are shipped in perfect working order and condition following rigorous testing and certification. If the device is damaged in transit the buyer must immediately report, in writing, any concealed or apparent damage to the delivering carrier and to Diopsys Customer Service and request authorization for repair or replacement.

**Defects Occurring During the Warranty Period:** Our Customer Service Representatives will be happy to discuss by phone, or e-mail suspected defects in parts or software or problems encountered with the operation of your device. At the time of your call or e-mail please describe the nature of the defect. Many times a simple suggestion will be developed that will solve a problem and bring a device back up to normal operating capabilities quickly. If we are unable to suggest a solution we may advise you as to what parts of the equipment should be returned to Diopsys for service or provide a service technician to solve the problem on site.

**Software License:** The Diopsys NOVA software is a copyrighted product of Diopsys, Inc. The software may be used with Diopsys VEP and ERG systems only

#### Diopsys Customer Service Contact Information:

Diopsys published hours are 8:30 AM to 5:00 PM Eastern, Monday-Friday

Call Diopsys Customer Service @ 973-244-0622 during normal business

E-mail can be sent to: [info@diopsys.com](mailto:info@diopsys.com)

### Keeler

Your Keeler diagnostic ophthalmic instruments are guaranteed for 3 years and will be replaced or repaired free of charge subject to the following,

1. Any fault that is due to faulty manufacture.
2. The instrument has been used in compliance with these instructions.
3. Proof of purchase accompanies any claim

Please note bulbs and batteries are not covered by this warranty statement.

No user serviceable parts. All preventative maintenance and servicing must only be performed by authorized Keeler representatives.

### TearLab

At TearLab, our mission is to provide a quality product to our customers every time. In the unlikely event that you experience technical difficulties with your product, we have provided the following procedures for remedy.

**Warranty Statement:** The TearLab Reader and Pens ("Product") are warranted against defects in material and workmanship for 12 months from the date of delivery. The foregoing warranty is subject to the following conditions and exceptions:

Warranty excludes repair of failures resulting from mishandling or abuse. Warranty excludes consumable items such as Test Cards. Warranty does not apply to damage sustained in transit. Warranty service may only be performed by TearLab Corporation ("TearLab"), or its authorized representative. Warranty is void if the Product has been modified or repaired by anyone other than TearLab or its authorized representative. Warranty is nontransferable. Warranty is void if the serial number tag is removed or altered. If the Product fails to conform to the foregoing warranty, you may return the nonconforming Product during the 12-month warranty period accompanied by (a) a copy of the sales receipt of the Product (for the purposes of evidencing the applicable warranty period) and (b) a Return Material Authorization ("RMA") number for the defective Product obtained from TearLab prior to initiating the shipment of the defective Product to TearLab. Products returned without a sales receipt and valid RMA number shall be returned to you, with no further obligation by TearLab regarding the Product. If you return a Product in compliance with the foregoing requirements, TearLab shall repair or replace the Product as soon as reasonably practical.

THE REPLACEMENT OF THE NONCONFORMING PRODUCTS BY TEARLAB AS PROVIDED ABOVE SHALL BE YOUR SOLE AND EXCLUSIVE REMEDY FOR BREACH OF THE FOREGOING WARRANTY. OTHER THAN AS WARRANTED ABOVE, THE PRODUCT IS PROVIDED AS IS. TEARLAB MAKES NO OTHER WARRANTIES RELATING TO THE PRODUCT, EXPRESS OR IMPLIED, AND EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION, WARRANTIES OF NONINFRINGEMENT, FITNESS FOR A PARTICULAR PURPOSE, OR MERCHANTABILITY.

In the event you experience any difficulty with the TearLab Osmolarity System, contact your local sales representative or TearLab Customer Support.

## Insightful Solutions

Due to the disposable nature of the products, there is no warranty. However, Insightful Solutions ensures the highest quality products that will meet your satisfaction. If for some reason, you are not satisfied with the product you receive, feel free to follow the Return Goods Policy for a refund.

A-35	Keeler	1302-P-1007	Combi Retinoscope Head Only / Optimized for outstanding performance with either a Streak or Spot beam with a simple bulb change. With up to 600 lux of brilliant Halogen illumination, the Professional Combi guarantees you enough light to refract even the most difficult eyes. This is the ONLY Retinoscope allowing rapid confirmation of neutralization. In both Streak and Spot modes you can change the beam from divergent to convergent enabling you to cross check the accuracy of the neutral point. The ability to double check neutralization in the upper position guarantees the assessment is correct the first time and every time. The Professional Combi offers improved 360° access to a single control for both rotation and convergence adjustments. The precision movements are achieved by use of rare earth magnet technology. A simple finger movement allows a choice of 4mm or 1.7mm aperture to optimize brightness or resolution of the retinal reflex. An interchangeable soft pad is available for spectacle wearers.	GB	\$423.56	EA

A-35	Keeler	2301-P-1022	Maddox Wing Test / Convenient hand held quick and efficient near test for heterophoria which is measured on the red vertical scale. Esophoria and esophoria are measured by the white horizontal scale. Cyclophoria may be assessed moving the red arrow pointer parallel to the horizontal scale.	GB	\$215.73	EA
A-35	Keeler	2414-P-2001	Pulsair IntelliPuff Portable Non Contact Tonometer / The Keeler intelligent puff system giving you a quantum leap forwards in accuracy and ease of use. IntelliPuff® embodies electronic and optical technology to deliver you the speed, accuracy and ease of use you and your patients deserve. Gentle is understating the new system - and if the patient has high pressures the puff will automatically increase for the next measurement. Kind, intelligent and simple. Technology working for you. Save valuable space Pulsair IntelliPuff® uses less than 50% of the space of conventional non contact tonometers and is the only model that can be wall mounted. Whether you wall mount or prefer to place it on your desk you win the 'space war' every time. No special instrument table is required - put it where you want it. Move it when you want to.	GB	\$4,049.35	EA
A-35	Keeler	2414-P-2030	KAT - Keeler Applanation Tonometer T type (Take Away) will be supplied with a reusable doubling prism, the calibration check bar, aluminium guide plate for Slit Lamp use /	GB	\$1,300.33	EA

A-35	Keeler	2417-P-2000	Pulsair Desktop Non Contact Tonometer / Pulsair Desktop has been designed with the user and patient in mind. The slim profile of the Tonometer head reduces patient anxiety and allows the clinical to maintain the all important visual contact with the patient. The colour alignment screen and ultra smooth alignment system gives even the novice user confidence to make apid and accurate measurements. As with other Pulsair Tonometers there is no measurable cost of consumables - no drops, no single use probes or tips. The soft colour scheme and compact design allow the Pulsair Desktop to blend seamlessly into the clinical environment.	GB	\$5,290.51	EA

A-35	TearLab	100003	TearLab Osmolarity Test Cards - 42 Count TearLab™ Osmolarity Test Card: a single-use, individually packaged, non-sterile, microchip to enable measurement of the impedance of the tear fluid sample. Each test card is hygienically clean and contains a protective cover. Test Cards are designed to work in conjunction with the TearLab Osmolarity System.	US	\$540.00	EA
A-35	TearLab	100006	TearLab Osmolarity System The North American TearLab Osmolarity System includes the TearLab Reader; Two TearLab individually boxed Pens with magnetic sleeves, Instructions for Use, and a set of adhesive identification labels; Set of (2) Electronic Check Cards with Instructions for Use; TearLab User Manual; TearLab Quick Reference Guide; Power Supply; Power Cord.	US	\$7,500.00	EA
A-35	TearLab	100012	Osmolarity Normal Control Solution Kit, 20 vials TearLab Osmolarity Control Solution is provided in two (2) levels, either a Normal Level kit (Product Number 100012) or a High Level kit (Product Number 100013), for monitoring Test Card performance at the normal and high clinical range of tear osmolarity. It is packaged in sealed glass ampoules, each containing 1.0 mL of solution. These ampoules are intended for one time use. Discard any solution that remains after use.	US	\$25.01	EA
A-35	TearLab	100013	Osmolarity High Control Solution Kit, 20 vials TearLab Osmolarity Control Solution is provided in two (2) levels, either a Normal Level kit (Product Number 100012) or a High Level kit (Product Number 100013), for monitoring Test Card performance at the normal and high clinical range of tear osmolarity. It is packaged in sealed glass ampoules, each containing 1.0 mL of solution. These ampoules are intended for one time use. Discard any solution that remains after use.	US	\$25.01	EA
